BANGALORE.

Sir,

I have the honour to state that the whole site now occupied by the Government Timber Depot between the road leading to the Kukkrahalli reservoir and the Railway road was meant to be transferred to the University for locating the quarters of Professors to be newly constructed. The Chief Engineer has been informed (letter No.329 dated 6th September 1916) that this ground would be required to be vacated at the end of the present year. It has since been discovered that part of this plot is in the possession of the Exhibition Department, which has 2 or 3 sheds standing on it. As the whole plot will be required for the University purposes, I am to request that orders may kindly be issued by Government directing that this plot also should be cleared and placed in the possession of the Public Works Department along with the Depot site before the end of the year, so that the Department may be in a position to start building operations as early as

Bangalore, 10th January 1917.

Dear sir,

Regarding our personal conversation about the permanent sheds in the forest wood yard opposite to the Exhibition Buildings in Mysore, I beg to state that if they are demolished for purposes of the University Buildings, they will have to be reconstructed somewhere else near the Educational Court. Further when the Exhibition is held annually, some inconvenience may be caused to the gentlemen living in the place where the sheds now stand, owing to the Exhibition arrangements. I would therefore suggest the desirability, on grounds of economy and convenience, of the portion of the land, where the Exhibition sheds are now located, being railed off or walled off and given permanently to the Exhibition Committee, the remaining lands of the forest yard being made

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

SIR,

With reference to your letter No.5409/ Edn.37-16-34 dated the 16th ultimo, enquiring when the site occupied by the Timber Yard in the Exhibition grounds, will be handed over to the Public Works Department for locating Professors' quarters, I have the honor to state as follows:-

There are at present on the site in question four buildings marked A.B.C. & D, as shown in the enclosed plan (which may kindly be returned when done with) belonging to the Exhibition. In A & B, the Exhibition Committee's offices are located. In C, the Director of Sericulture is having his silk rearing and stands have been fitted up. Building D has since been replaced at the disposal of the Forest Department. If the whole site on which these buildings -- stand has to be made over to the University authorities, buildings A.& B. will have to be erected anew in some other parts of the Exhibition grounds and the Director of Sericulture will have to be provided with another similar shed for his rearing operations.

Orders of Government are therefore awaited in this matter.

I have the honour to be,

22 FEB 1917

Office of the Mysore University,

Dated Mysore, February *191* 7.

From

Thos. DENHAM, Esq., M.A.,
Registrar, Mysore University,
Mysore.

To

P.G. D'Souza, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture,
Bangalore.

Sir,

With reference to correspondence ending with your letter No.6168 dated the 8th instant, regarding the site of the Exhibition sheds included in the Government Timber Depot being excluded from the ground proposed to be transferred to the University, I am directed to state that in the interest of the University it is desirable that the whole ground should be reserved. This would secure a compact area between the roads for the University and also save them the annoyance of proximity to the Exhibition sheds, when an Exhibition is actually held. The structures now standing on the site are temporary sheds which are not likely to cost much for removal to the other side of the road, where vacant land is available For these reasons the University Council resolved at their meeting held on the 11th instant that "the Government be requested to hand over to the University the whole ground including the land on which the Exhibition sheds stand". A copy of extract from the Proceedings

Proceedings of the meeting of the Council is submitted.

2. The plan of the site is re-submitted as desired.
